Dear Barry:

I would like to take just a minute to personally thank you for the excellent job you did last Friday and Saturday in your presentation to the Florida Association of Criminal Defense Lawyers. I had no idea what to expect before I arrived on Friday. By the time I left the following day, I was impressed by your method of instruction and purpose. I believe that I benefited not only on behalf of the FACDL but also I came away with information and instruction that will be helpful to me in my own practice as well. I believe that my comments are uniformly shared among those in attendance.

Sincerely,

Denis M. de Vlaming
