Dear Mr. Banther:

On behalf of the Florida Society of Ambulatory Surgical Centers Board of Directors and members, we would like to express our gratitude for your contribution of time and talent at the 2008 Annual Conference and Tradeshow held July 23-25, 2008 at the Ritz-Carlton in Sarasota, Florida.

We commend you on your powerful presentation, "A Leader's Gift – What You Have to Give Away if You Expect to be Followed". The valuable information, combined with your obvious desire to help others expand their knowledge and improve both personally and professionally, helped to make this year's conference a success.

Your program added to the overall positive outcome of the meeting, and without the generosity and participation of people such as yourself, these meetings would not be possible. Once again, thank you for taking the time out of your schedule to speak at our conference. We look forward to working with you again in the future!

Thank you,

Brandice M. Pittard
Director of Meetings and Conventions
