Re: Letter of Recommendation

Dear Mr. Banther:

On behalf of all our staff at Fawley Bryant Architects, Inc., we would like to express our sincere appreciation for your work in helping us develop the strategic plan for our company. This plan and the process you so expertly led, gave each one of our staff the opportunity to not only solve long-standing issues, but it also allowed us all to develop and embrace a clear direction for our company to grow and prosper as a great place to work.

During the course of developing this strategic plan, we found your personal attention, patience, and insight to be invaluable in helping us navigate through the tough debates and decisions on personnel, growth, management, marketing, and serving our clients.

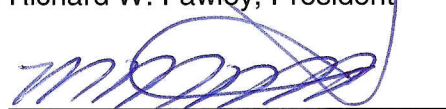

We all agree it was the process in which you helped us lead ourselves into the future with confidence and with an even stronger commitment to our mission and service to our clients.

We are very grateful for your careful and considered attention and look forward to continuing our relationship with you as we implement this strategic plan and move to the future.

Sincerely,

FAWLEY BRYANT ARCHITECTS, INC.

Richard W. Fawley, President

Michael P. Bryant, Vice President
