Dear Mr. Banther,

On behalf of the Chamber Board of Directors, I want to take this opportunity to say thank you for taking the time from your busy schedule to facilitate the Annual Board of Directors Retreat, held on Wednesday, November 18, 1998, at the Holiday Inn in Dundee.

Your enthusiasm caught on early in the presentation and carried over the entire day. The retreat proved to be informative as well as entertaining. Each participant came away with a better understanding of what it means to plan a program of work that has strength and purpose, as well as the commitment level needed to further our Chamber and community partnership.

Several board members have indicated a desire to participate in the leadership seminar next year. I would like to suggest that the seminar be scheduled in the second quarter, preferably in April so as not to conflict with our Heritage Days celebration in March. Let me know if this would be agreeable to you and if so, which dates you would be available.

Thank you again and I look forward to hearing from you soon.

“Driving” Towards Success,

Lori Cunningham  
Executive Director
