Mr. Barry Banther  
1708 Gulf Beach Boulevard  
Tarpon Springs, FL 34689

Dear Barry,

Please accept my most sincere thanks and appreciation for your pro bono presentation on behalf of the Humane Society of Pinellas at our annual Board Retreat. You were "quintessential Barry" – engaging, compelling, charming, and effective. In short – everyone there loved you! The presentation had the exact effect I had hoped it would and spurred on a very lively discussion and commitment to action during the afternoon session.

Since many in the room, like Jack Geller, are also involved with a lot of organizations locally, I'm sure you will gain incremental referrals for paying gigs as a result of your generosity and kindness. That was the buzz I heard clearly as we left the retreat.

We plan to pay tribute to you – and perhaps to any animals you would like memorialized - by placing your name on our Donor Wall for the amount of \$10,000 to acknowledge your in-kind donation. Please call Barbara Snow, our Executive Director, at 727-797-7722 if you would like a pet's name included as a memorial with your own. We will then email you a digital photograph of the memorial wall with your name added.

There aren't enough thanks to give you and I hope this will serve as an appropriate tribute for your assistance to our Board of Directors.

Humanely Yours,

A handwritten signature in cursive script that reads "Caroline A. Goodrich".
