Banther Consulting

Tarpon Springs, FL 34689-3436

To Whom It May Concern:

It is my distinct pleasure to write this letter about a person I have had the opportunity to get to know both personally and professionally over the past few years. Barry Banther has been working with my management team over the past few months on "Improving Business Performance Through People". Barry has the ability to teach you on a level playing field. He grabs your attention from the second you walk into the room and doesn't give it back until the workshop is over. He is truly an entertaining speaker and motivator.

Barry is a well-respected consultant and has been an asset to our company. Our management team has already put the skills we have learned into practice in both our professional and personal lives.

If you would like to contact me personally, I can be reached at 727-847-6556 ext. 112.

Sincerely,

D. Dewey Mitchell, CCIM
