Dear Barry:

Your presentation at our Fall 1998 Practice Management Seminar was well received by our audience of Certified Public Accountants most of whom are in public practice. As I believe you are aware, your presentation was rated highest by the audience in knowledge of subject, presentation skills and relevance of topic. Certainly, your enthusiastic presentation providing success solutions to the various CPA businesses in attendance created a most successful seminar.

Hopefully, we can arrange for another dynamic presentation at one of our seminars in the near future.

Once again, on behalf of *the Tampa Bay CPA Group, Inc.*, thanks.

Very truly yours,

Richard J. Fuller
