Dear Barry:

As we kick off our new fiscal year, I did want to take this opportunity to thank you for the outstanding job you did in facilitating our Board of Governors Retreat.

I have attended many retreats for a variety of groups and no one has surpassed the job that you did for us. You did a very good job of involving all of the Board, and in a relatively tight timeframe, you guided us to setting objectives that will challenge us for the coming year. Your blend of good humor, upbeat personality, and understanding of group dynamics really was appreciated by all of those attending.

Please feel free to use me as a reference, as you continue to expand your presence and network.

Appreciatively yours,

Russ Sloan
