Dear Mr. Banther:

We continue to receive glowing comments regarding your address the other evening at our annual Civic Dinner.

You shared from your heart thoughts which inspired everyone in the room and I am hard pressed to remember a more moving message than what you shared with us that evening.

Thank you for your preparation and time. I hope the Lord will return significant blessings to you, your family, and your business for good results of your service.

God Bless.

Sincerely,

John T. Needham, Major
