Dear Dr. Banther:

I was thrilled when Bev told me that you were available to come and speak during the 2007 Training Conference for the Sheriff's Assistant.

I was approached by many of my colleagues after you finished speaking. All of them stated how much they enjoyed your presentation and also that the assessment they received about themselves was more accurate than they could have imagined.

Thank you so much for taking the time to drive to Daytona and for donating a portion of your earnings in order to make it affordable for the Florida Sheriff's Association. I sure hope you receive other requests from the Florida Sheriff's Association and other sheriff's offices throughout the state.

Thanks again for everything you did to make our conference more educational and enjoyable.

Sincerely,

A handwritten signature in cursive script that reads "Terry A. Phayre".
